

## PFAC Annual Report Form

Health Care For All (HCFA) advocates for health justice in Massachusetts by working to promote health equity and ensure coverage and access for all. HCFA uses direct service, policy development, coalition building, community organizing, public education and outreach to achieve its mission. HCFA envisions a day when everyone in Massachusetts has the equitable, affordable, and comprehensive care they need to be healthy.

### Why complete an annual report for my PFAC?

Under Massachusetts law, hospital-wide PFACs are required to write annual reports by October 1<sup>st</sup> each year. These reports must be made available to members of the public upon request. As in past years, HCFA is requesting a copy of each report which will be posted on HCFA's website, <https://hcfama.org/pfac/>. HCFA recommends using this template to assist with information collection, as well as the reporting of key activities and milestones.

### What will happen with my report and how will HCFA use it?

We recognize the importance of sharing of information across PFACs. Each year, we:

- make individual reports available online
- share the data so that PFACs can learn about what other groups are doing

### Who can I contact with questions?

Please contact us at [atappan@hcfama.org](mailto:atappan@hcfama.org) or call us at 617-275-2982.

Please email completed forms to [PFAC@hcfama.org](mailto:PFAC@hcfama.org).

**Reports should be completed by October 1, 2022.**
